# *30th Annual Report*

## OF THE COMMITTEE OF MANAGEMENT

For the Year ending December 31st, 1928.

---

LADIES AND GENTLEMEN,

The Management Committee present their Report and Balance Sheet for the year ending December 31st, 1928.

The Income of the Hospital is £619. The Expenditure is £375, compared with £484 of the previous year, so that the Hospital has decreased its expenses by over £100. £150 has been added to the Deposit Account.

The Matron has had a very strenuous year. The number of patients treated was 117: In-patients 53, Out-patients 64.

The Committee deeply regret the loss of their colleague, Mr. W. J. Payne, who served the Hospital for many years, during which time his interest was of the keenest, and his generosity unfailing; they also regret the death of a well-known subscriber, Mr. William Whalebelly.

The Committee wish to recognise the untiring interest taken by the Ladies' Committee in all matters that concern the Hospital, and tender their sincere thanks to all collectors in Watton and the Villages, and also to the Hon. Auditors. They hope that a continuance of support may be forthcoming from all members of the community.

The lists published monthly in the Local Press indicate the number of gifts received during the year. Pound Week brought many useful additions to the store cupboards (see page 11).

The Committee have been extremely gratified with the spontaneous efforts made in many directions by various Individuals, Churches, and Committees to raise funds on behalf of the Hospital, and take this opportunity of thanking all those who have assisted in this way. The details of these successful efforts will be found under the list of Donations.

During the year it has been deemed necessary, owing to the deaths of the Rev. C. B. Nash and the Rev. K. Mackenzie, to adopt Barclay's Bank as custodian trustee of the investment funds.

We regretfully recall the loss of the services of Dr. Panting, from the Medical Staff, who for over 30 years was connected with the Hospital; also of Miss Panting, who had rendered excellent services for 4 years as Hon. Secretary. We desire to express our appreciation to both.

An addition to the Hospital equipment is an Instrument Cabinet. During the year the Wireless has given great pleasure to the patients and staff, and the Committee express their thanks to all those, especially Mr. J. Abbey, who have assisted to make this so efficient.

The Committee desire to place on record their appreciation of the gift of a Visitors' Book, the maintenance of the Telephone Service, and the erection of a Motor Garage for the use of the Hospital—all through the kindness of the late Mr. W. J. Payne.

As this Report is being framed, the Management Committee learn with regret of the resignation of Miss Wolveridge, who for the last  $3\frac{1}{2}$  years has rendered the most zealous and efficient service, and throughout that time has performed her duties to the entire satisfaction of the Committee and the Medical Staff.
